1976 FUTURA

NATIONAL COLLEGE OF EDUCATION
EVANSTON, ILLINOIS

You shall listen to all sides and filter them.
It is yourself you seek.

Your contemplation is the breaking of the shell
that encloses your understanding

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man.

Dear Fellow Student,

"When things go wrong as they
sometimes will,
When the road you're trudging
is all up hill,
When funds are low and the debts
are high,
When you want to smile but you
have to sigh,
When care is pressing you down
a bit,
Rest if you must, but don't you
quit!"

Admitting you've made a
mistake takes much courage but

world.

I kicked off my shoes, and felt the good earth
under my feet
I loosened my tie, and felt what it feels like
to breathe
I found the secret to life
I took some time for living . . .

Too busy to stop and notice the things that are real
Embarrassed to talk about all the things that I feel
It's so strange, never noticed the world all around me
Hey, look I've changed, my attitude's been rearranged
From now on I'm taking some time for living
High on everything life is giving
I'm gonna be taking time for life.

THE GLASS MENAGERIE

The Speech-Theatre area of the Fine Arts Department has two major aspects; the Children's Theatre tours, (this year they played to over 12,000 children in 3 shows) and the successful college productions saluting the bicentennial. The three productions were "The Last of Mrs. Lincoln," "Adrift in New York," and "The Glass Menagerie" pictured below.

The Pom-Pons girls work hard to provide entertainment for the spectators and support for the basketball players. The squad was enlarged this year and many ideas went together to form new and effective routines.

HOMECOMING DANCE

The Homecoming dance was held at Marienthal in honor of the basketball players and to crown our homecoming queen. The lucky lady was Fran Vitalli.

Other contestants were Sue Smilie, Deb Rieves, Carol Willey, Janet Webb, Sue Mikola, Betty Hill and Cathy McGuire.

BALLOONFEST

Fifty years ago in March National College of Education moved from Chicago to the North Shore, the site where Harrison Hall now stands. To commemorate this move the present students and faculty re-enacted the original celebration. Red balloons were launched. We hope our next fifty years will be as successful as the last fifty.

PARENTS'

SPRING

WEEKEND

Who am I and who are we?
It only matters that we are.
And it doesn't matter if we are today or
tomorrow or yesterday, because we can't be
never - we are. And being what we are I
can't promise you tomorrow - for I am only
promised today.

So let this be my commitment:

Now I will love you in all the ways
I can love. And we'll both have to
have faith in tomorrow. But in case
tomorrow is not yours or mine, let me
grow from you today.

For we are.
